President's Message

Thank you to everyone who attended the June ACFA Meeting!

I hope everyone is enjoying the summer and finding some time on the water. We've seen some great catches already this season, and I'm looking forward to hearing more at our next meeting.

Please make plans to join us for the **ACFA July Meeting on Thursday, July 10, 2025, at 6:30 PM at Moe's BBQ in Mobile**. It's always great to catch up, share some fishing stories, and prepare for our upcoming tournament.

Speaking of tournaments — **our next ACFA Tournament is set for Saturday, July 12, 2025**. Be sure to **register ahead of time on Fishing Chaos** so everything is squared away before the tournament. If you are still having trouble please call my cell phone and we will get you signed up. Let's keep the momentum going and bring in some impressive weigh-ins this month!

As we head into the heart of summer, here are a few quick pointers to help you dial in on some key species around Dauphin Island:

- **Speckled Trout** – Focus on early morning or late evening bites around flats near deep water and oyster beds. The bite has also been really good along the beach in relative deep holes. Topwater lures at first light are producing well, and live bait seems to be the ticket once the sun gets higher.
- **Redfish** – Look for movement along oyster beds, marsh points, and docks in the bay. Gold spoons and live shrimp under a popping cork are dependable choices this time of year.
- **Flounder** – Target sandy bottoms and bridge pilings with soft plastics or bull minnows bounced slowly. The flatties are hanging tight to structure and ambushing bait along channel edges but have been hard to come by this year.

Stay cool out there, stay safe, and keep those lines tight. I look forward to seeing all of you on July 10th at Moe's BBQ — and again on the water for the July 12th tournament.

Tight lines,

Scott Ellzey

OLD BUSINESS June Meeting RECAP

Sponsored By:

Our fifth ACFA meeting of 2025 was held @ Moe's BBQ Downtown Thursday June 5, 2025.

ACFA President Scott Ellzey was out of town on vacation that week so David Thornton took the microphone to host the meeting. As is our tradition, we began the meeting with a short prayer and recollection for the repose of Robert "Bobby" McElroy, and David "Burl Minnow" Hare.

Jason Aspinwall was our guest speaker, and he gave a great rundown on targeting flounder which he usually does from a kayak. Jason had plenty of good tips from tackle to approaching a spot with catching flounder in mind.

You know Jason was telling the truth when he went out the next day and caught this fine flounder using the very same tackle and tactics he had mentioned to us at the meeting!

JUNE 7, 2025

Retired Mobile Fire Chief Robert Thornton let us know about the Boaty Campbell Memorial Fishing Rodeo. Not only telling us about the tournament and the two youngsters sponsored by it, but he had some of the background story of Boaty Campbell and his desire to help others.

Next we heard from CCA Alabama Executive Director, Blakeley Ellis who told us about what all the Coastal Conservation Association has been up to in Alabama for the past year. They spread a LOT of money around for reef building, habitat restoration, and brooding efforts with several species through the Claude Petit Mariculture Center in Gulf Shores. Also sponsoring offshore and inshore tagging programs including the STAR tournament. As a couple of ACFA members can attest in the past, that blue tagged redfish could be the ticket to a new boat. BUT, you have to join the CCA and enter the contest first ;-)

Following the talks we showed the results from the May ACFA Hooked Up To Help Tournament along with the plaque and plate presentations.

Next came the April ICS (Inshore Championship Series 3) results and check presentations.

The meeting wound down with the announcements of the June ACFA Tournament and ICS-4 Tournament, and a reminder of the Boaty Campbell fishing tournament running concurrently with ours.

This was followed by a raffle drawing and Door Prizes,

JUNE TOURNAMENT RECAP - SUMMER STARTER

The fourth 2025 ACFA tourney was held Saturday June 7th under nominal conditions. It ran simultaneously with the Boaty Campbell "Hooked Up For A Cause" Tournament. But our weigh-in was held at the American Legion Post 250.

ACFA Member and Statistician, Sandy Tillery reeled in the catch of the day when he rescued the rescue boat that came to rescue them after breaking down on the water. Just goes to show that ANYTHING can happen while boating!

DO YOU HAVE BOAT A BOAT TOWWING INSURANCE POLICY?

Landon Devery was the ONLY Junior Angler to weigh in a fish, but the Adults did a good job with the Speckled trout, Redfish, and Flounder.

REMINDER: Redfish over 26" are NEVER accepted at ACFA weigh in or BFC contests. And now there is no allowance to retain redfish over 26 inches Maximum Total Length.

Fisherman's Prayer List

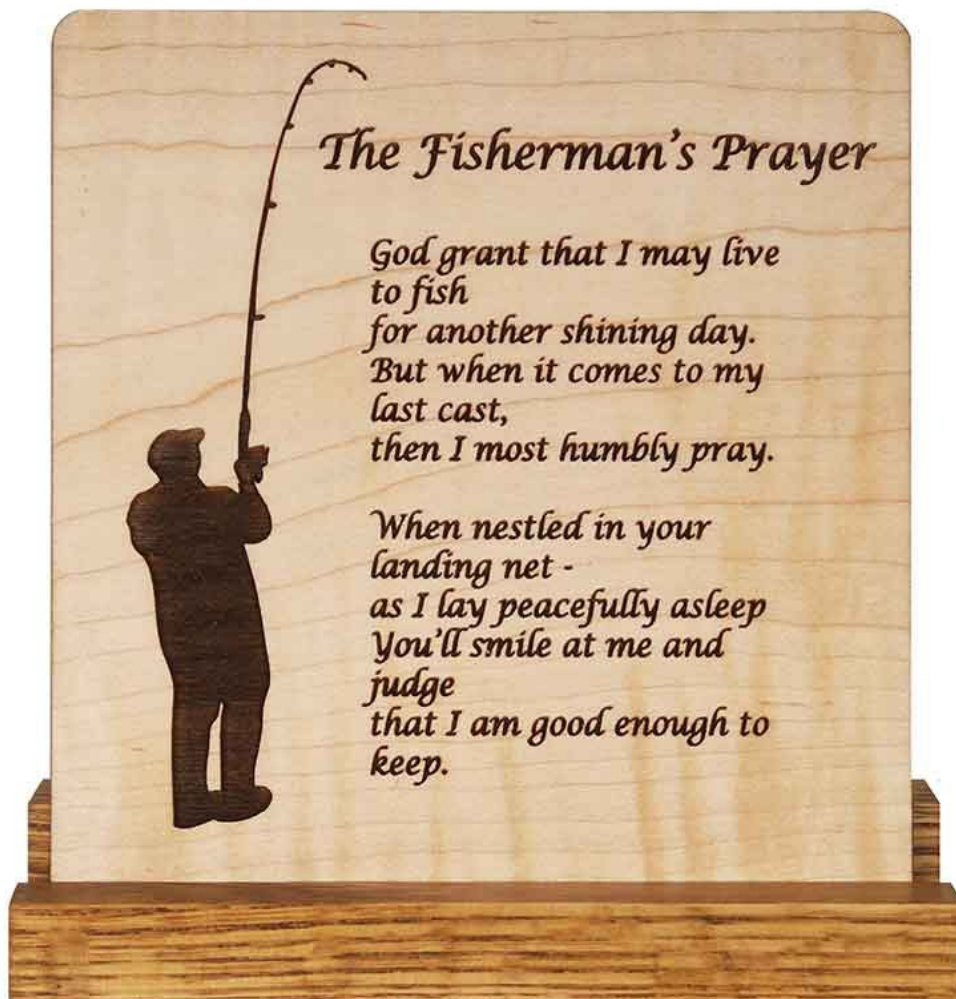

Don "Iceman" Ludlam, suffered a stroke recently, but has been doing well since and is anxious to recover according to his wife **Bekki**.

Don is a former ACFA member and served as club President in 2003.

He is also noted as a fine reel repairman and makes **Lud-Stud Custom Rods**.

Please keep **Don** in your prayers for a rapid and total recovery!

Also, PLEASE keep our good friend, former ACFA member **Romie Perez** in your thoughts and prayers as he continues to do battle with cancer and the debilitating affects of ongoing chemo therapy. This is one tough hombre, but he could sure use our prayers and loving thoughts.
