President's Message:

Our July meeting marks the halfway point through this ACFA year. I want to thank everyone who has joined, been participating, and helping at the meetings and weigh-ins. It sure makes a difference when even a few folks pitch in or even just say thanks! We strive to make our club fellowship a fun and informative time for the whole family. Any and all ideas for speakers or other input/feedback has always been welcome and considered. This month we are bringing back a feature that was really popular In the past, the July Junk Sale (below).

David Thornton - ACFA President

“JULY JUNK SALE”

So, just what is this you might ask...? A LOT of fun for everyone, and a great way to interact! Just get to Moe's a little early (5:30-6:30 pm) with any unused or unwanted items you'd like to part with. There will be tables set up near the stage where you can spread your wares. We will try to have enough labels on hand for you to put your name and the asking amount. **ALL we ask in return is 10% of the proceeds for the club treasury.** It's as simple as that! Remember the ole saying, "One man's 'trash' is another man's treasure"! So how does this work? Let's say "John Fisher" has several used lures, several packs of plastic baits he's never opened, and an old anchor. He prices all his items and keeps a record of the transactions. Say he sells them all for a total of \$18.50. At the end of meeting he simply takes 10% of what he got for his stuff (\$1.85) and gives that (or ANY more) to the club Treasurer (**Terry Wilson**). Even the small amounts add up, and historically this sale produced several hundreds of dollars changing hands. Some old gear gets sold to a 'new home' and the club nets \$50 or more. So please come early (5:30-6:30 pm) to set up. Bring some small bills and change for smoother transactions. This is a LOT of fun!

July MEETING PREVIEW

Come join us at Moes' BBQ on Thursday July 7th at 6:30pm for our sixth meeting of 2022. The return of the July Junk Sale will be a fun attraction, along with Blakeley Ellis (Executive Director of [CCA Alabama](#)). Blakeley will tell us more about the CCA first Alabama CCA STAR tournament and some about the growingly popular CCA sponsored tagging programs.

Mark Schambeau and Coleman Moore of the [89th Alabama Deep Sea Fishing Rodeo](#) will speak about this year's rule changes and their events including the Roy Martin Young Anglers Tournament (RMYAT) July 9th.

Also, Justin Fadalla will be on hand to tell us about the upcoming [7th Annual Saltwater Finaddicts Inshore Tournament](#) to be held August 27-28.

PLUS we will have raffles, and plenty of door prizes!

June 2 Meeting Recap

Our June meeting feature speaker was Captain Josh Tidmore ([Lighthouse Charters](#)). Those in attendance were treated to likely the most comprehensively informative talk on Mobile Bay fishing in ACFA history. Josh is a fine speaker and friend to the club. And it was a pleasure to hear why his inshore/nearshore charter business has been so successful in a relative short time.

And yes, even though he fishes whenever the opportunity arises, he places a lot of confidence in correlation with solunar tables when it comes to catching trophy speckled trout. Folks, if you missed this one, you missed the best yet!

Stephanie Campbell and her entourage brought t-shirts, tickets, and spoke about the June 11th [2nd Annual Boaty Campbell Memorial Fishing Rodeo](#) held at the River Shack. The event raised \$4000 for St Jude's Children Research hospital (Boaty's favorite charity), and had what sounded like a great party.

The ACFA father/Son team Chad and Chatwin Summers took home 1st place in White Trout (Adult), Croaker (Youth), and Hardhead Catfish (Youth), and "Trash Can Slam" (Youth) in the [2nd Annual Boaty Campbell Memorial Fishing Rodeo](#). Congratulations, and thanks to all who supported their cause!

June 4 "Summer Starter" Tournament Review

Our fourth tournament of the year featured fine weather, food and fellowship. Even though the catching left plenty of room on the board, we were treated to some competitive specimens of Flounder, slot Redfish and Speckled trout. And we even had a last minute Spanish mackerel entry and a 'just over the slot' redfish with a beautiful heart-shaped spot on the tail. Gotta LUV IT!

Kudos to Romie Perez, Wayne Sanders and Ron Padgett for frying up perfect batches of fish and making the grits and slaw. It was mostly swai (Vietnamese catfish) because only one member (Perry Stokley) stepped up to donate fish. But hey, everything tasted great! So thank you all for your efforts.

Also thanks to Jenny Minto for the refreshing Oreo-pudding pie dessert!
