## Upcoming Dates

- July 8 - July Meeting
- July 10 - Rodeo Warmup Tournament
- July 10 - Boaty Campbell and RMYAT
- July 16-18 - ADSFR

# President's Message

Greetings folks,

Folks, we are now past the halfway point for our 2021 ACFA year, and things are really 'heating up'. Not just the weather, but the competition on several levels has just been getting better. Participation in the tournaments is good, as is that of our BFC and CPR contests, for Juniors and Adults. Several records have been broken already this year, and several more have been established. Keep it up!

Still, there is PLENTY of room in several categories, and one of those is **Gafftopsail catfish** - a fine gamefish (plentiful in the bay), which is featured in our July tournament.

Our tournament again coincides with the **Roy Martin Young Anglers Tournament**, and also the **1<sup>st</sup> Annual Boaty Campbell Memorial Fishing Rodeo**. Representatives of both contests will be at our July meeting. Please support their causes, and continue to support our club in efforts to provide family-oriented fishing fun!

**David Thornton - ACFA President**

## Rodeo Warmup

When:

Sat. July 10<sup>th</sup>, 5:30 AM - 3:00 PM

Species:

Speckled Trout, Flounder, Blackfish, Gafftop, Ground Mullet/Whiting

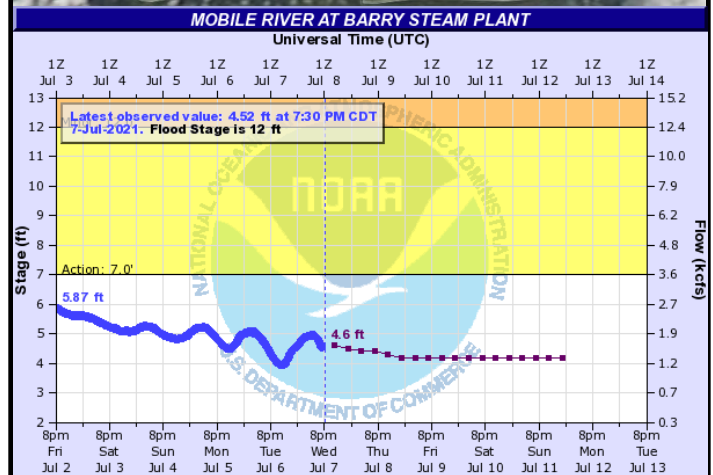

Weigh-In:

American Legion Post 250  
1:00 - 3:00 PM

Food:

Chef Romie Perez's  
Bar-B-Que and Fixins

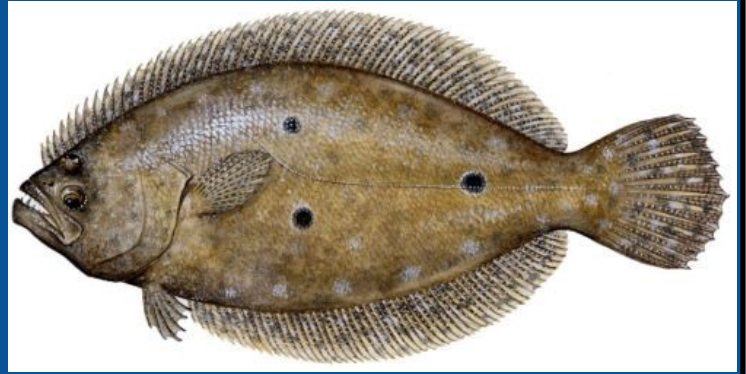

## Water Conditions

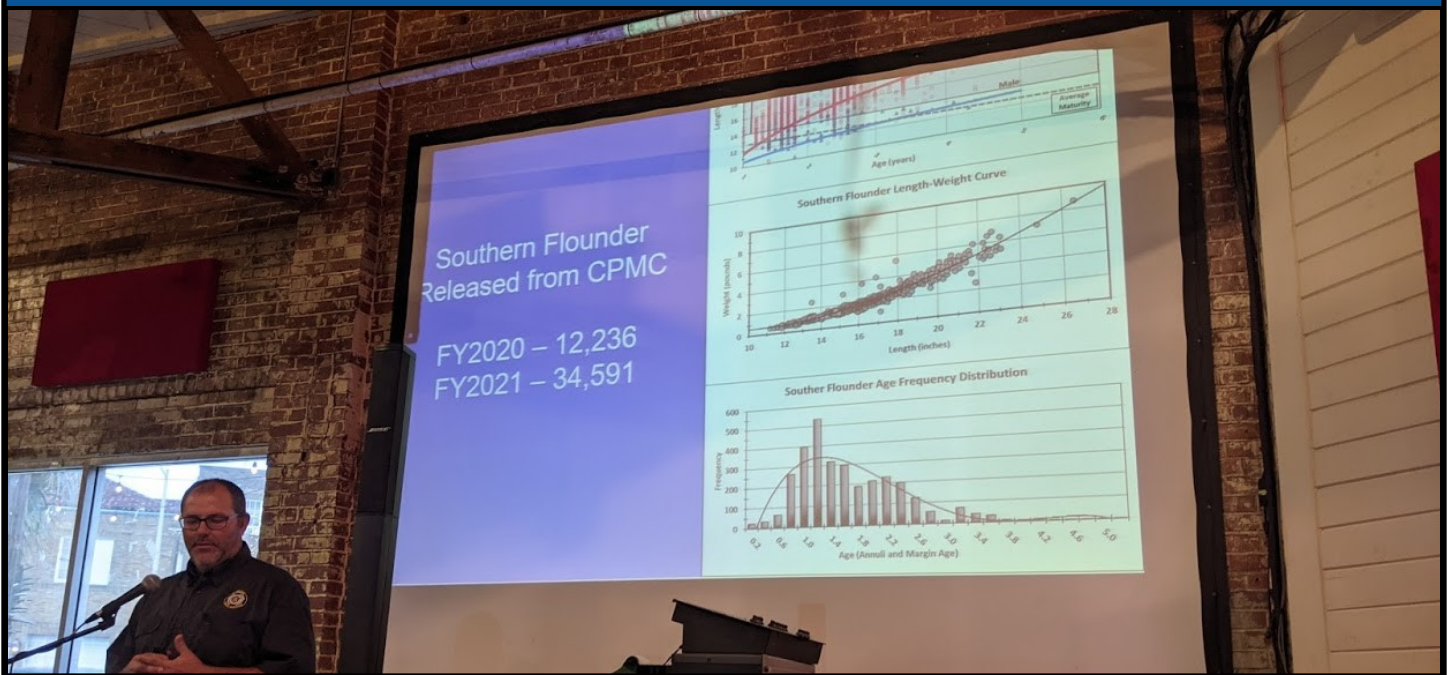

# 2021 June Meeting Recap

The ACFA was excited to host **Craig Newton** from the Alabama Department of Conservation and Natural Resources (ADCNR) to discuss recent developments with flounder stocking and fisheries in Alabama coastal waters. We've all noticed a decline in flounder fishing over the past decade, so it was refreshing to see the work that is being done to address this important issue.

Craig began by giving a brief overview of the numerous flounder research projects taking place in our waters including stocking enhancements at the Claude Peteet Mariculture Center, constant assessments of fish stocks, studies investigating the relationships between flounder production and climate/habitat changes, and flounder tagging projects. Results from these projects suggest in part that changes in climate and hydrology, especially related to shorter winter durations and lower discharges, produce less flounder. The flounder that are most commonly caught come from estuarine waters or are transients from outside of Mobile Bay. Hydrophone tagging efforts suggest that around 30 % of our flounder leave Mobile Bay each year to migrate elsewhere.

While the hydrology and climate conditions that affect Mobile Bay are largely outside of our control, Craig had good news about the success of the Claude Peteet Mariculture Center's flounder breeding and stocking efforts. 12,000 cultured flounder were released to Alabama waters in 2020, and we expect to see that number grow to 35,000 this year in 2021. Craig hopes that we can reach 70,000-100,000 flounder from the Mariculture Center released each year in the near future. Many of you provided the brood stock for the Mariculture Center by bringing in live flounder to ACFA tournaments in 2018 and 2019. We applaud these efforts to help restore our flounder fishing, and thank Craig for sharing this exciting work to our club!

# June Summer Starter Tournament Recap

Under threat of rain, the weigh in for the ACFA June "Summer Starter" tournament was moved indoors at the American Legion Post 250. That way we were better able to smell and sample those fine quesadillas being cooked up by **Ms. Gwen** and her niece "**Josh**" under the direction of **Chef Romie**. There was a heap of those eaten, and nary a tummy went away empty ;- ) GREAT JOB FOLKS!

The weigh in was spirited, and competitive in several categories. Though we missed out on the size of upper-slot speckled trout this time around, there were a good number of schoolies brought in. When it was all over, **Quentin Miller** and **Riley Boltz** were atop the pile. Pretty much the same with slot redfish, though the top three placing adult weights were more respectably over 5 pounds. Congratulations to **Cliff Bailey** and **Chatwin Summers** for their wins. And special congratulations to **Leigh Pierce** for her over 4-pound Spanish mackerel that blew away the competition. She not only won the tournament, but is currently 1st in Spanish mackerel in the Big Fish Contest by a significant margin. And congrats to **Riley Boltz** for his other 1st place (Spanish mackerel & flounder), and to **Cole Reach** with a nice 1st place Junior slot black drum, and 2nd place Junior redfish. These anglers are really stepping it up!

## LEADERBOARD

# July Meeting Preview

Don't miss our July Meeting where we'll host **Rowan Young** and **Ryan Schumann**, two tournament directors for the 1st Annual Boaty Campbell Memorial Fishing Rodeo and the 88th Annual Alabama Deep Sea Fishing Rodeo. The Boaty Campbell Memorial Fishing Rodeo and Roy Martin Young Anglers Tournament both coincide with our July Rodeo Warmup tournament, so there is no reason not to participate if these tournament if you have the opportunity.
