President's Message:

Our August meeting was well attended and featured the most raffle prizes ever! The August tournament went off without a hitch, although it was plenty hot. But we had another great shrimp boil thanks to the efforts of Keith McGraw, David Hare, and Michael Hanks. Also, thanks to Lynette Kalifeh for adding her tasteful personal touch (and desserts) to the dining area. I am asking for one or two volunteers to work the weigh-in table, writing down entries and keeping up with the Tournament Standing Board for the next two tournaments. By next year we should have a television system installed (donated by Justin Fadalla) to project the standings from a laptop computer. That will free me up to do other things.

Only two more tournaments remain in the 2023 season, and VP Perry Stokley has a substantial lead as the most consistently scoring tournament competitor so far this year. There are still a handful of anglers perhaps within striking position to catch up if they can put together a couple of standout tournaments. The Big Fish Contest is currently tied between Barry Keith and Courtney Summers, but there are several other anglers who could rally to make the finish even closer. The BFC boards are mostly filled up, but there is still plenty of room for determined anglers to make their mark with a nice sized fish. Meanwhile, Patric Garmeson is leading in the Catch, Photograph, Release Contest with several anglers just one good fish away from giving him a run to the finish of the CPR in mid-November.

It is my sad duty to report that an angler was caught cheating recently. Subsequently his membership was revoked, unfortunately along with his dependents, so all their entries were purged from the current standings in all contests. There is no excuse or acceptable reasoning for such behavior which will not and cannot be tolerated in a club that was founded, operates and prides itself on principles of personal honor and integrity. Our anglers always operate "on their honor" and within the rules as published. If you ever have a question of clarification or procedure, feel free to contact any club officer or myself.

Our September meeting is lining up to be another fine one with speakers: "Dr. Door Mat" Dylan Kiene (PhD student at the University of South Alabama and Graduate Assistant in the Fisheries Ecology Lab at Dauphin Island Sea Lab) on flounder fishing & tagging, plus Lieutenant Steve Humphrey (Conservation Enforcement Officer Supervisor in Mobile County) on boating safety.

We will again have some fun door prizes and more great raffle items and hope to see you there! - **David Thornton - ACFA President**

AUGUST 3RD MEETING RECAP

Lots of thanks to everyone who made it down for our August meeting. It was packed! We were joined by Capt. Shane Traylor who shared his experience and tips on fishing in heat! Capt.

Traylor's top tips were to fish early and late and consider targeting alternative species, such as Jack Crevalle or Tripletail.

Live bait will definitely increase your chances at variety! On the

topic of live bait, we were joined by Capt. Kevin Owens who gave everyone the run down on everything Live Bait. From finger mullet, croaker, bull minnows, shrimp, pogies and more, Capt. Owens gave a clinic on how, where, and when to catch them and how to keep you live bait alive once you've got your hands on them. It was an extremely informative meeting, well deserving of one of our best turnouts of the year! As always, we had lots of raffles and door prizes. We hope y'all can join us for the next one!!!

AUGUST 5TH TOURNAMENT REVIEW

Despite the BRUTAL heat for our August Grand Slam tourney, many anglers stuck it out to bring some nice fish to the scales. Our flounder division was highly competitive with Jerry Markow taking the top spot with a flatty over 3lbs! Cliff Bailey and George Dozier were close behind him with a 2.94 and 2.92 respectively! Other notable fish were Mike Mims 6.49 redfish, Tim Pierce's 3.49 speck, and a pair of solid 1lb+ white trout caught by Barry Keith and Bobby McElroy. We also some of our best junior participation of the year, with entries into 4 of our 5 species!

We'd like to give a huge shout out to all the former presidents that boiled up piles of shrimp for lunch and Lynette Kalifeh who got everything arranged under the porch and brought some delicious deserts! Hopefully we'll have a bit more manageable temperatures for our September tourney!

SEPTEMBER 7TH MEETING PREVIEW

Head on down to [Moes' BBQ](#) at 6:30 PM on Thursday, August 3rd for this month's meeting. Our main speaker will be Dr. Dylan Kiene from Dauphin Island Sea Lab talking about everything FLOUNDER, from biology to how to catch them! Following doctor doormat we'll be joined by Lt. Steve Humphrey from Alabama Marine Resources with a refresher on boating safety. As always we will be having lots of raffles and door prizes. Hope to see you there!

SEPTEMBER 9th "End of Summer" TOURNAMENT PREVIEW

The weigh-in for our September tournament will be held at the American Legion post 250 on DIP. Our species for this month will be **Redfish, Speckled Trout, Flounder, Spanish Mackerel & Croaker** (Leaderboards can be found on the fishing chaos app linked on the Facebook page. Be sure to pre-register!) We will be having some killer jambalaya with some Caesar salad for the side! Y'all don't want to miss it!
