President's Message

Well folks, we made it through another exciting year in the storied 25 history of the ACFA! Thank YOU all for being a part of what makes this club so enduring, and FUN!

As 'carazy' as 2020 was, this year hasn't been without challenges either. But we persevered like anglers waiting for a bite to turn on. There have been so many exceptional moments we have marked in the course of 2021.

So, on Friday night December 3rd we will gather at Moe's to highlight our greatest angling accomplishments of the year. And celebrate together to salute the end of this year. But we have even more great things planned for next year, so we are hoping you will come along for the ride in 2022 too!

Have a blessed and safe Christmas and New Year!

David Thornton - ACFA President

End of Year Awards Banquet Preview

Come join us on Friday evening to celebrate the end of the 2021 season. We'll have food served cafeteria style by the friendly staff at Moe's. Then we will proceed to the awards announcements for the year and finish with attendance drawing and door prize drawings. As always, we kindly ask that you bring a dessert if you are able!

We also have to fill another board positions for 2022. **We are looking to fill the Newsletter position.** Please consider serving or helping out with this all important position for next year so the President can concentrate on other duties! It is a great opportunity to meet other anglers and support the club.

Bill Midgett/Mutt Burke Causeway Classic

Mostly clear, almost fall-like weather with mild temperatures and generally light winds greeted our anglers for our final tournament held on Saturday October 23rd. The dropping river levels opened up fishing options for the upper bay and Causeway area. Most everyone reported good catches, though not always their target species. We did have some nice white trout and sheepshead entered in the Big Fish Contest (BFC), and Catch, Photo, and Release (CPR). And even a nice bass was brought in to round out the Causeway catches. Of the few Junior anglers who fished, most weighed in nice fish. Riley Boltz and Micaiah Lindquist were up to their usual 'tricks', and it was great to see Matthew Nicholas, and his dad Mike Nicholas with some nice speckled trout. They even brought a young friend of Matthew's to share in the enjoyment. A fine example of the kind of outreach sportsmanship that make this club so enduring.

The Adult members competitively filled in across the leaderboard, with a good bit of 'bumping' in the speckled trout and redfish categories. Plus we had two slightly over-slot reds that made folks hold their breath, and almost stirred up things even more. In the end, David Jones narrowed the gap in Tournament points, but Sandy Tillery's 1st place in Redfish provided more than enough points to maintain his lead in that contest.

Trey Halladay and Grady LeBlanc brought in the largest speckled trout caught on artificial lures (2.27 #) which qualified them both for the special plaque awarded for that feat In fond remembrance of Mutt & Bill. Congratulations gentlemen!

Long time club member Bubba Williams, fishing solo, brought in a nice Mobile Bay Slam that totaled over 9 pounds. His three+ pound flounder took first place, and he also placed in redfish. However, Bubba's flounder was eclipsed by Cliff Bailey's BFC/CPR flounder @ 6.61# (24 1/2" long). Cliff kept that fish alive in his well overnight (so it wasn't eligible for the tournament), but he measured, weighed and released it at the weigh-in site to the awe of all present. There were several other notable CPR entries as well including Grady LeBlanc's 18 1/4 inch speckled trout which had tied for the heaviest speck caught on artificial. A couple of nice BFC sheepshead were added by Kenny Keasler (5.23#), and Sandy Tillery (4.72#). And in BFC white trout were added by Mark Jones (0.85#), Sandy Tillery (0.68#). These fish will alter the Adult BFC standings. Plus, Matthew Nicholas weighed a white trout for the Junior BFC. Keep in mind the 2021 BFC and CPR contests ended at midnight on November 14th.

Besides the good natured fishing competition, there was plenty of fine fellowship and good food served up by "The A-Team" of cooking led by chef Romie Perez, with Ms. Gwen, her friend Shelia Reynolds, and Wayne Sanders. Ultimate kudos to Wayne for stepping up to move Romie's trailer to the weigh-in site after Romie's truck 'died'. What a true embodiment of the "ACFA Volunteer Spirit" !!!

November Meeting Recap

Veteran ACFA member and long serving officer Captain Joey Gates gave us a very thorough rundown on fishing the Delta, from the lower reaches of Garrows Bend to Turtle Ditch, and north to Gravine and Twelve Mile Islands and everything in between with a heavy dose of what to look for and fish for along the way. This is the kind of info that truly aids new members and can not only help keep them out of harms way, but shed some light on how to go about catching speckled trout, redfish, flounder and bass ("green trout") in our wild backyard. If you missed this talk, you missed one of the best. We are so fortunate to have members like Joey who are glad to pass on their hard earned knowledge to help others.

After dispensing with the formal approval of next year's officer nominations, our panel looks like this:
