September Meeting

Thurs. September 6, 2018

6:30 pm

Moe's Original Bar B Que

701 Springhill Ave.

Mobile, AL 36602

6:30 pm = Reid Nelson (Dauphin Island Sea Lab)

7:00 pm = Max Westendorf (Alabama Marine Resources)

President's Message:

As our year starts to wind down and we all look forward to cooler weather this fall. I would like to thank everyone for their participation at our meeting and tournaments this year. What great turn outs!

David Thornton has done a great job this year bringing many quality speakers to our meetings and this month will be no different. Don't miss it.

We have decided to keep our September tournament at the American legion down near Fowl River since most of the fishing this time of the year is still in the lower Mobile Bay Area. Also it has plenty of shade for our big fish fry.

I'm excited to announce that our October 27 tournament will be located at the Bluegill restaurant on the causeway. What a great venue to have a tournament. We were very fortunate to be able to secure this location.

See you at the meeting and tournament.

Good Luck!
John Howard

2018 ACFA Board Members

Position	Name	Contact

Upcoming Dates:

- ⇒ September 6 = ACFA Meeting
- ⇒ September 8 = ACFA Tournament

September Meeting

Thursday, September 6, 6:30

Speakers will be Reid Nelson PhD Candidate @ Dauphin Island Sea Lab who will talk about fish tagging efforts and the CCA 'TAG' Program.

Max Westendorf is the Hatchery Manager for the Alabama Marine Resources Division Claude Peteet Mariculture Center in north Gulf Shores. He will be telling us about their recent brood stock programs including the flounder that have been turned in by our members and others.

November	1	No Tournament
December	7*	Fri. Banquet

SEPTEMBER WEIGH-IN WILL BE AT THE AMERICAN LEGION POST 250

"End of Summer Tournament" September Tournament Preview

When: Saturday, September 8, 2018

Weigh-in: 1 - 3 pm @ American Legion Post 250

Species: Speckled trout, redfish, flounder, white trout and spanish mackerel.

The Board of Directors voted to keep the weigh in at the usual location which offers more shade and other amenities. We will still offer the 'LIVE' flounder weigh in to the AL DCNR for their flounder restocking program, so try to keep those flounder ALIVE!

On the menu for our September tournament is our fish fry. See Kyle...

We need help with set up, clean up and most importantly: SIDE DISHES. Any and all sides are welcome, big or small, bring a receipt and the club will pay you back. Desserts are always needed.

October Update

The October tournament will be held October 27th at the Bluegill on the Causeway

2019 Election

Nominations for 2019 ACFA officers will be in October. Elections will be held in November. Start thinking of members that you would like to see on the board next year.

Food Advisor Corner

A great Shrimp Boil with all the fixings takes a lot of work. If you have ever been involved in one you know. There are many things to get together, to buy, prepare, cook and clean. Thanks to Vince Hawkins and his crew of volunteers they did it as well as it can be done. It's a real treat to get food like that. Thanks again! Thanks to Lil Brian's produce on hwy 90 for the fixings.

September's fish fry is shaping up. We collected 10# of filets at the last tournament. We need about 40# total. Romie Perez has generously donated 15# of wild caught Alaska pollack. We need about 15#. So if you have filets we need them. Please contact me. As usual we are always looking for help. I'll be collecting frozen filets at our next meeting. God bless

**Kyle Eckhoff

August Tournament Recap

What a great turn out for our August tournament held at American legion on a hot Saturday afternoon. We had around 75 fisherman, family members and spectators to watch a lot of fish brought in to the scales.

The highlight of the event of course what's the shrimp boil headed up by Vince Hawkins and his crew.

They did an outstanding job serving large boil shrimp, corn, potatoes and cabbage. Everybody left happy and full. Thanks to of our ACFA members that came out to the event and the ones that volunteered to help.

August Meeting Recap

By: David Thornton

Our busy meeting opened to a packed house with the 'Dynamic Deltaman' Lee Patrick Minto , weaving fishing tips into stories and tales of adventures north of the Mobile Bay Causeway. This energetic angler is all about doing whatever it takes to catch whatever is biting in that area. Be it speckled trout, redfish, flounder, "green trout" or crabs; he is sharpening hooks, baiting crablines and practicing the "5Ps" to consistently put seafood in the box and enjoy what mother nature offers. Thanks again Lee!

After that Cheyenne and Kevin Owens told us about the raffles to benefit the Gabriel Le'Dane Bedwell family who lost their young child to SIDS this summer. In fact Capt. Kevin (Dominion Charters) graciously donated a guided fishing trip to the cause. Hopefully the rest of us were as generous!

Next Justin Fadalla spoke about the Saltwater Finaddicts tournament held the last weekend of August. And even donated a pair of tickets (won by Tim Pierce). The ACFA has participated well in the tournament and been well represented in the winner's circle. Good luck everybody!

Then Vince Hawkins gave a rundown of what sacrifices (not fishing) it takes to put together the shrimp boil. In a few words "WE NEED HELP!" explained how many who have been carrying the majority load are getting up in age, and he challenged more of the younger club members to consider putting in time for the benefit of all. We need 'young blood' and 'new blood' to keep our ideas fresh!

Our Food Chairman, Kyle Echkoff followed Vince's appeal with the reminder that fellowship is an integral part of our club mission. And 'breaking bread' together is a great way to get to know each other better. YOU can participate in this process by donating some fresh fish fillets to the September Fish Fry.

Our club founder, Mike Thompson ended the first session with a great story (as only HE can tell them ;-) about a guy doing a good deed. Let's all remember WE represent the ACFA at all times!

After the break, Capt. Jay O'Brien (Irish Wake Charters) gave us an in-depth rundown of his award winning blackfish tackle, tips and tactics. We all benefited greatly from all the hours and miles Jay has put in while pursuing the 'wylie tripletail', and thank him for sharing that experience with the club!

Next, John Howard presented our first ACFA President's Conservation Award to Tom Brooks. As you may recall, Tom a humongous redfish during the ADSFR in July that 'bottomed out' a 50# digital scale. That fish would have easily eclipsed the current state record (45lb. 9 oz.), but Tom without hesitation took a picture with it and carefully returned it to the water to create more great fish. Kudos!

Lastly we had some 'tourney talk' about the shrimp boil, species and Robert Thornton our Statistician reminded members that a lot of 'Net Man Points' were being left unclaimed and that after 3pm the results are final. Finally Josh Tidmore (Awards/Membership) mentioned that volunteering for board positions or to help with weigh in cooking is a great way to get to know and interact with other members. Then the raffle and door prizes were drawn, and just like that it was all over. Whew!

LIVE FLOUNDER CONTEST

The Claude Peteet Mariculture Center located in Gulf Shores, Alabama is a state run Marine Hatchery which is a division of the Alabama Marine Resources. The hatchery manager Max Westendorf has requested the help of the ACFA and its members for capturing live Flounder. Why live Flounder? They need them for broodstock for Flounder restocking efforts. Most anglers in our area would agree that the Flounder population has suffered greatly over the past 5+ years. Well, Max is wanting to start the restocking program and it must begin with live fish for brood stock.

Captain Patric Garmeson owner of Ugly Fishing LLC is promoting this program by offering a challenge to the ACFA members. At each ACFA tournament we will have a AMR representative to gather live Flounder from the participating ACFA members. Each Live Flounder will be tallied for each angler to go towards a grand prize at the end of the year. The more Flounder you turn in the more chances you have at winning. Ugly Fishing LLC will be donating a fantastic prize for one lucky winner. So, get out and capture some Flounder and keep them alive.

Lynda Capps shows off her new ACFA record Blackfish

***** NEW ACFA CLUB RECORD BLACKFISH *****

As the ACFA Statistician, I have the privilege of seeing every fish and associated weights that comes across the scales. When I first got started, the BFC was a special challenge with all the drama associated with who will “catch the next big one.”

On the morning of August 13, 2018, Lady Luck smiled on Lynda Capps. She managed to land this huge 31.20 lb. Blackfish, which now stands as the ACFA Club Record in that species. According to Lynda, the fight was so intense, she could not hold her arms up with the fish for a photo-op until the next day. Congratulations Lynda
