

ACFA "Mutt Burke Causeway Classic" tournament October 15, 2011

Splendid fall weather embraced our last tournament of the season always held on the third Saturday in October. Action was good most everywhere though the fish weren't as big as most anglers would like to have seen. That didn't faze young anglers Christian Howell and Lindsey Hawkins though as they managed to out fish their partners and most of the other adults in several categories. Later participants were treated to several hearty homemade chilies and some smoked pulled pork at the weigh in. As usual, nobody went away hungry! And congratulations to Brad McDonald's wife Nancy, who made the winning red chili. If you didn't get there by 4pm you missed it!
