# President's Message:

So glad we had such nice weather for our May tournament. And hoping that trend will last through the summer, because it's been already HOT lately. Wanted to say THANKS to members of the USCG Auxiliary for coming to our meeting and the weigh-in. The subject of boating safety was drilled home recently when Kevin Olmstead had a harrowing survival experience on June 21st in the Mississippi Sound. You can hear about it in his own words by listening to the latest issue of the [Alabama Saltwater Fishing Report Podcast](#).

The Speckled trout have been quite active on the Gulf beaches, in the Bay and Sound. But recent heavy rains may spoil some of that action with an influx of muddy fresh water. Still we have seen plenty of redfish and more flounder this year. And they don't seem to be bothered as much by water clarity or salinity. Maybe this early summer fishing pattern will continue. And we should hear more about that from our guest speaker, Captain Josh Tidmore. We will also hear more about the upcoming Boaty Campbell Memorial Fishing Tournament. So, let's support that too. And thanks to all those who attended and helped at our May weigh-in.

**David Thornton - ACFA President**

## June MEETING PREVIEW

Come join us on Thursday June 2nd at 6:30pm for our fifth meeting of 2022. Josh Tidmore, a former ACFA officer for several years, and now a licensed Captain running [Lighthouse Fishing Charters](#), will be our main speaker. Josh has a lifetime of fishing knowledge all around Mobile Bay to share with us. So you won't want to miss that. Josh is always a knowledgeable, entertaining speaker with a big voice.

Plus Stephanie Campbell will be on hand with tickets and T-shirts and more info to promote the 2nd Annual Boaty Campbell Memorial Tourney to be held on Saturday June 11th.

**Romie needs about 20 more pounds of fresh or frozen fish for the fish fry at Saturday's tournament. He will also need volunteers to help.**

**We will have an Abu Garcia rod'n'reel to raffle and plenty of door prizes.**

# May 5 Meeting Recap

A near full house was on hand for a VERY busy meeting. We heard from Captain Bernie White and his wife Andrea about their ups and downs of years on the redfish tournament trail. One thing Bernie always stresses is boating safety. So it was honor to have several members of the US Coast Guard Auxiliary on board to tell us more about that and promote their courtesy boat inspections.

We also heard from Brandon Peters with [Veterans Recovery Resources](#) about their inaugural fishing tournament held May 7th at Dauphin Island Marina. Besides mentioning the special work this organization does to aid veterans, Brandon discussed their tournament, and the provision for ACFA members to enter

their catches from our Causeway weighin without having to go all the way to Dauphin Island Marina to do it. This shows the power and reach of virtual tournament entries through our sponsor [Fishing Chaos](#).

We also heard from Wayne Dean with [United Cerebral Palsy](#) about their fine work, and their 14th annual UCP Hooked Up To Help fishing tournament. And we heard from Stephanie Campbell about the [2nd Annual Boaty Campbell Memorial Fishing Rodeo](#) to be held June 11th.

# May 7 "Hooked Up" Tournament Review

Our third tournament of the year was "Hooked Up" with the UCP "[Hooked Up To Help](#)" and the Veterans Recovery Resources "[Reelin It In For Vets](#)". Both were well attended and represented by ACFA members happy to support their causes. THANK YOU! By all accounts we had some fine weather that morning, though big catches were 'spotty'. But we can always look forward to some of our members solving 'the riddle of the day' when it comes to the fish. This day was no exception, with a nice Mobile Bay Slam brought in by Jerry Markow, anchored by a 6 pound, first place redfish. Other anglers racked up points by placing in multiple species. Phillip and Bob Ward teamed up for 1st and 2nd in Flounder, plus Phillip had a 3rd place redfish. Two New members: William Kelly and Noble Smith made a strong showing in Speckled trout. Meanwhile several others like Robert Howell, Sandy Tillery, Harvey Pepper, Cole Reach, and Barry Keith carried the ACFA banner high enough to place in the UCP tourney too. In fact Cole and Barry won their respective White trout categories. And Cole also carried away 1st place Junior Flounder. Sometimes all it takes is one decent fish ...

In addition, members of the US Coast Guard Auxiliary were on site, and performed seven complimentary boat inspections. Thank you for your service! Also, thanks to chef Romie, and all those who pitched in to help him get set up, cook, and clean up!
