## Speckled Trout Challenge!!! May 3, 2014 "Young Guns" 35 - "Old Salts" 20

After last years defeat by the "Old Salts", the "Young Guns" re-claimed their status as the winners of the Speckled Trout Challenge! Terrible water conditions made it an extremely difficult day of fishing for even the most experienced fishermen but the best of the best pulled it together and made it happen! Congrats to everybody on the leader board, placing in the top 10 in those conditions is really saying something!

At the weigh in on the Causeway, an excellent fried fish dinner was prepared by a pair of Old Salts; Kyle Eckhoff and Tom Brooks. Thanks guys, the food was excellent and we appreciate everything you guys do to keep us all fed.
