President's Message

Hello folks,

Well, we are now on the 'downhill' side of this year (thank goodness we've made it this far, right?). I wanted to say "THANKS" to **Craig Hall**, who set up and hosted our July 'virtual meeting'. And thanks to our speaker **Luke Simonds** "Chief Fishing Addict" with Salt Strong for bringing us some very good info about lure selection based on fishing conditions. If you missed the meeting, it can be viewed online by following the link on our website or Facebook page.

OLD NEWS:

We also held our membership drawings. And those winners were **Phillip Ward** (PayPal) and **Scott Gill** (new member). **Remember our 2020 memberships will be extended through 2021, so it's not too late to join or renew now and take advantage of the rest of this year as a bonus.**

Our first ACFA tournament for the year went off pretty well Saturday July 11th. The weather was cooperative, but it sure got HOT! We had a nice turnout of anglers at the weigh in, with some solid fish brought to the scales, and even had a few 'social distancing' observers to cheer them on. The mood was 'low key' to say the least, but everyone seemed happy to get out, fishing, and to see one another again. Congratulations to those who won, placed or showed. Because some of us really struggled to even catch an eligible fish despite all 12 species being open for this tournament. The fish brought in really helped the ongoing Big Fish Contest as well. But there are still plenty of open spots on the board.

NEW NEWS:

Please keep Patricia "Pat" Nicholas (her husband, Mike and their family) in your thoughts and prayers as she continues to recover from a stroke and surgery. Her condition has been slowly improving and we have been passing on Mike's Facebook updates on the ACFA Facebook page. A web page was set up to contribute to their ongoing medical expenses @ https://www.facebook.com/donate/1583816258451462/3394053627309039/

Please help!

David Thornton - ACFA President

August Meeting Preview

We have a special and timely speaker for this month. Kyle Mitternight will talk to us about fishing for blackfish. This time we will ask that everyone register with Zoom (it's FREE), so they can be counted in our meeting raffle. That's why we were not able to have 'virtual door prizes' from the first meeting; sorry we did not realize that. None of us are crazy about this 'new normal', but we are adjusting and will get through this. Hopefully, we may resume live assembly meetings in the near future.

Meeting details:

- Login: Thursday August 8th: 6:30pm will begin at 7pm (See website or Facebook for link)
- Virtual Door Prizes: Five \$20 gift certificates to Tackle This Shoot That. To be held on 'FB Live', Friday evening, after the meeting member list has been determined.
- Prize pick-ups will be arranged later at the weigh-in, by mail, or future weigh-in, meeting
 or at the banquet in December.

The meeting will be automatically recorded and should be available for viewing at a later date if anyone wishes.

August Tournament Preview

The August ACFA "Mobile Bay Grand Slam Tournament" will be held on Saturday August 8th (5am to 3 pm). Grand Slam species are speckled trout, redfish and flounder. Keep in mind that speckled trout and redfish must be within their respective slots to qualify and we measure Mean Total Length (MTL aka "pinched tail") the same way ALMRD Enforcement officers would. Also, any angler who manages to place (1st through 5th) in all three species will receive an additional 5 bonus tournament points. And we will award special ACFA Grand Slam plaques to any anglers weighing a legal grand slam in the tournament. A feat not often accomplished on any day, much less in a tournament.

The other categories will again be all the other eligible ACFA species: black drum (slot), blackfish, croaker, gafftopsail catfish, ground mullet/whiting, pompano, sheepshead, spanish mackerel, and white trout. Plenty of opportunities for the adult and junior anglers to accrue more tournament points!

Tournament details:

- Fish from 5 AM until 3 PM on Saturday, August 8th.
- Weigh-in at the American Legion Post 250 on Dauphin Island Parkway from 1-3 PM
- Grand Slam Category: Speckled Trout (slot 15-22"), Redfish (slot 16-26"), and Flounder
- Other categories: Sheepshead, White trout, Groundmullet/Whiting, Spanish Mackerel, Blackfish, Black Drum (16-26"), Croaker, Gafftopsail Catfish, and Pompano
- Points will be assessed for 1st through 5th for each category (Juniors & Adults) and all species in the usual manner. Extra 5 points for placing in all three Grand Slam species.
- Social distancing must be maintained at all times!
- Final results will be published on the ACFA Facebook page as soon as possible, with point updates to follow.

July Meeting Recap

With the help of **Craig Hall**, we were very pleased to host **Luke Simonds** from **Salt Strong Fishing** for our first ever online meeting over Zoom. We had over two dozens members join using the Zoom app or over the phone, and it was great to see and hear from the club members again.

For his presentation, Luke described his lure selection process for fishing for speckled trout and redfish on the flats and in deeper water. He mentioned that his preference for lure selection comes down to three things (in order of importance): (1) motion, (2) size, and (3) color. His personal favorite lures to use include a split-tail, Alabama Leprechaun colored, soft plastic on a weighted hook and a small, white, paddle-tail grub on a jig. He also said that in any situation, it's best to work lures that give you the most confidence!

After his presentation, Luke opened the floor for a Q & A session. He answered several questions regarding line selection. Surprisingly, he said he prefers mono over fluorocarbon - which he credits to the superior abrasion resistance of mono. He also fielded questions regarding knot choices for tying braid to leader, and he recommended a uni-uni for general use, a crazy alberto knot for better durability, and an FG knot for maximum strength and minimum size. Many of the topics regarding line and knot strength and durability are discussed in greater detail on the Salt Strong Fishing website at **Saltstrong.com**. Be sure to check it out and drop down the rabbit hole! Also, you can re-watch the meeting by following the link from our website.

July Tournament Recap

Other than the oppressive heat, we had some great weather for the first tournament of the year! With all twelve species open, there were plenty of opportunities for junior and adult anglers to find a place on the leaderboard! **Pat Hughes** and crew had the weigh-in site running smoothly and folks did a great job keeping the distance. Join us again this month for our Grand Slam Tournament where we will once again have plenty of spots on the leaderboard up for grabs!

Top left: **Gerald Markow** and **David Thornton** represent the age-old rivalry with custom face masks! Top right: **Barry Keith** and **Trey Holladay** show off slot reds that swept the board. Bottom left: **Candace** and **Donnie Vinson** found a nice spanish mackerel bite and so did **Matt Bryant** and **Terry Wilson** (bottom right)!

Fishing Highlights

Thank you for the great responses and picture submissions to **Robert Thornton** this month! We've gotten a few spectacular pictures for BFC and CPR entries and also from the ADSFR.

Chatwin Summers (left three picture) is back again this month with some more great fish to show off. He's got a nice red (left), thick mangrove snapper (2nd), and hefty sheepshead (3rd) this month. Lucas Chalk caught a real nice green trout (bass) out of a creek.

Loretta Dixon found a solid slot redfish (left) while **Lee Minto** (center) hoists up a very fine blackfish which sits in 2nd place for the BFC. **Tom Brooks** (right) brought in a CPR bull redfish at 29.50 inches.

New Blackfish Record (33.10 lbs.)

Another year, another club record for blackfish! **Joey Gates** landed this goliath 33.10 lb. blackfish that now tops the BFC for the year. What a tremendous catch. Congratulations Joey and save some for the rest of us!

Several members hit the ADSFR hard this year and had some great days out on the water. **Hunter Behr** holds an elusive African Pompano (14.39 lbs.) just outside the weigh station at the ADSFR docks. **Tim Pierce** found a speedy spanish mackerel at 3.37 lbs. to enter in to the tournament.

Loretta Shane Sawyer found a prized big ugly black drum that weighed in at just under 23 lbs! Congrats to all ACFA ADSFR anglers!

CPR and BFC Reminder!

Consider catching an entry for the BFC or CPR contests! Be sure to print off the new BFC and CPR cards online and mail, text, or email your entries to Robert Thornton (**thorntonr17@yahoo.com**). You will also want to review the rules regarding each contest for proper entry. If you're planning on releasing a fish for the CPR contest, be sure to have a good ruler handy and be prepared for a quick release before you hit the water!
