

2011 CPR Final Results

Congratulations to George Koulianos on his first place speckled trout in the coveted ACFA Catch, Photo, and Release Contest! All of the entrants should be commended for their conservation minded effort to put back what most anglers would consider a catch of a lifetime.

The top five places will receive a plaque in recognition of their accomplishments and deserve the admiration and gratitude of all Alabama coastal anglers for their efforts to conserve our speckled trout resource.

PL	CPR Speckled Trout	INCHES
1	George Koulianos	27.25
