From The Prez

Mike Thompson

Well folks you did it! That's right. The ACFA whipped the SSA in the annual Speckled Trout Challenge. It was mighty close. 30-25. It was nip and tuck right up to the final minutes. What a finish though!

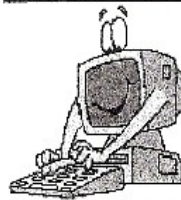

I was mighty proud to look around the upper deck of Dauphin Island Bait and Tackle during the weigh-in and see so many ACFA members there showing support for our club. It was truly a team effort. Every year this tournament is held it seems to gain more and more rich history. The happenings that occurred this year will be worth hearing about for years to come. More info at the meeting.

Members of the Championship team were: Keith Smith, Bill Patterson, Brad Williamson, John Fassbender and Kelly Fulmer. Great job guys!

The winners of the membership drive contest will be announced at the meeting. The seafood dinner awaits the winner and one lucky person drawn from the hat. I sure would like to be lucky that night!

Our club tournaments continue with the Summer Starter set for Saturday June 9. Weigh-in will be at Dauphin Island Bait and Tackle from 3-5. Let's all fish.

Shane Stiener will be our speaker this month. he will discuss Flounder Fishing with us. You don't want to miss this one.
