President's Message:

We are now in the second half of this ACFA year, with still LOTS of great upcoming fishing and related activities. Thanks to all of you who have been coming to the meetings (and weigh ins). We've had really good times, including several vendors participating in the 'July Junk Sale'. That was FUN! Several hundred dollars worth of 'stuff' exchanged hands, and the club made a few bucks. It was great to have that back.

Fishing has been pretty good this summer, even through the heat and the thunderstorms. As always, some of our members find the fish, and a few have even made their marks in other fishing tournaments!

Thanks again to our July meeting speakers: Blakeley Ellis, Executive Director with [CCA Alabama](#) for telling us more about their conservation work and the ongoing STAR tournament. Also, thanks to Coleman Moore (and "J.T.") from the [Alabama Deep Sea Fishing Rodeo](#), and Justin Fadalla with [Saltwater Finaddicts](#) for making time to tell us more about their tournaments and donations of their tournament tickets (see July Meeting Recap). And there is so much more to come.

August is also the 'first call' for new officers in the upcoming year.

We are going to need a lot of help to keep things going and growing for the club in 2023, as I will not be ACFA President next year. I have served as ACFA President for four years, and in various capacities since 2006, and feel my family is now due my full attention. Maintaining proper balance between family / job / and recreation (like being a club officer) is not always easy, and for some has even proven impossible. But we have seen again and again how sharing these responsibilities among friends with common goals makes the tasks much more manageable for all. So, search within yourself, and look among yourselves, and choose wisely who can lead us through the challenges that will come in the future...

August MEETING PREVIEW

Come join us at [Moes' BBQ](#) on Thursday August 4th at 6:30pm for our seventh meeting of 2022. Our main speaker will be Brian Dzwonkowski, Associate Professor of the Department of Marine Sciences at the University of South Alabama. Brian "Dz" works at the Dauphin Island Sea Lab and will tell us about the post Hurricane Sally / Theta status of [Alabama's Real-Time Coastal Observing System \(ARCOS\)](#).

Alabama's Real-Time Coastal Observing System (ARCOS)

Due to damages sustained during Hurricane Sally, some stations will be down indefinitely. Our team is assessing the damage and will work to have all stations functioning as soon as possible. Please check back for regular progress updates.

In September and October 2020, most of the network sensors were put out of commission by these storms. And with limited funding, their return has been arduous. Many anglers utilize this data, and our reliance on ARCOS has not gone unnoticed...

Also, representatives (Bobby E. and Ryan E.) of the [40th Conde Cavaliers Fishing Rodeo](#) (to be held August 6-7) will be in attendance to talk about their tournament and take questions.

As well, Justin Fadalla ([SALTWATER FINNADDICTS](#)) will be on hand with co-host Drew Giles ([THE FEVER](#)) to tell us more about the [7th Annual Saltwater Finaddicts Inshore Tournament](#) to be held August 27-28.

PLUS we will have raffle prizes (compliments of [George's Watersports](#))

July 7 Meeting Recap

Well our July meeting hit a bit of a snag because of the Power Point projector not working. But we managed just fine, going 'old school' with the P.A. and even a little 'shadow puppet show' for the kids. LOL

But we had a fine crowd show up! Over 60 members and guests were present to hear from our guest speakers:

Blakeley Ellis, Executive Director with [CCA Alabama](#) was on hand to tell us more about their tagging work, and the ongoing STAR tournament. He left us a complimentary CCA membership (raffled) in addition a bunch of CCA door prize items. We had a fine Q & A session afterwards.

Also, thanks to **Coleman Moore** (VP of Publicity) for the [Alabama Deep Sea Fishing Rodeo](#) for coming by to explain some of the many changes for the rodeo in 2022. Plus the pair of tickets we raffled off. Thanks guys!

And **Justin Fadalla** with Saltwater Finaddicts was there to tell us more about the upcoming [Saltwater Finnaddicts Inshore Championship and Redfish Shootout](#) plus donations of tournament tickets and [SWF apparel](#).

One of our sponsors, **George Nall** ([George's Watersports](#)) came by and donated two items that will be raffled at our August meeting.

It is really nice to see our club sponsors at the meetings and weigh-ins. We could not provide these quality prizes without their support. Please be sure to patronize their businesses, and tell them they are appreciated!

July 9 "Rodeo Warmup" Tournament Review

The sultry summer weather for our fifth tournament of the year tested many members who ventured out. Those who successfully dodged the scattered tropical downpours were successful for the most part. But generally the bite seemed 'off' a bit, perhaps due to NEAP tides through the previous days. Redfish was not a category this month, but several were brought in to weigh for the Big Fish Contest. Speckled trout were relatively scarce, but by all accounts there is a great crop of yearling white trout right now. And there are a good number of nice sized flounder and some chunky Gafftops around too!

But as we hoped, having this tournament on the same day as the Roy Martin Young Anglers Tournament (RMYAT) drew more junior angler participation. Some even 'made some noise' at Dauphin Island (in the RMYAT) for a while. Chef Romie Perez overcame obstacles, hurdles and various other forms of misfortune to cook us some fine pork tenderloins. These were served to eager mouths along with some great baked beans and cole slaw.

Special thanks to "Reel Nasty Fishing Team" (Chad, Chatwin & Courtney Summers) for all their help with setting up, food prep, and cleanup. There were other folks who pitched in as well, but these guys were onsite from start to finish, seeing that everything was done right. Everyone sure appreciated it!

Aug 6 “Grand Slam” Tournament Preview

August is our “Mobile Bay Grand Slam” tournament featuring those three species (Speckled Trout, Redfish, and Flounder) plus Gafftop and Blackfish. Anglers who weigh a legal ‘Grand Slam’ are in a special category, and the heaviest Grand Slam wins a special award. Note Speckled trout and Redfish still have to be ‘slot’ fish. Also, any angler who stays on the board (top 5) in all three species, gets 5 bonus Tournament Points for their efforts.

The Tournament Contest has been pretty tight so far. So getting a boost in Tourney Points with only two more tournaments to go could really help your cause toward being crowned Tournament Champ!

Tournament fishing hours are 5 am til 3pm, and the weigh in will be at American Legion Post 250 (on DIP near Greer’s) from 1pm to 3pm

This month is our annual shrimp boil co-hosted by Romie Perez and Keith McGraw along with the ‘ex-presidents’ David Hare & Vince Hawkins, plus any one else who can chip in to help slice vegetables and whatever else. But NO fingertips please ;-)
 Anyway, it is always a LOT of fun even to come out just to socialize and eat fine some shrimp (along with boiled corn, potatoes, etc.)

And as always, desserts are much appreciated!

ACFA MEMBERS IN OTHER TOURNAMENTS

“Well done” to all ACFA members who have participated in the various fishing contests around the Bay this summer. And congratulations to two active members who ended up on the final leaderboard of the Alabama Deep Sea Fishing Rodeo July 15-17.

Barnie White fished really hard against some stiff competition (his dad and his tournament partner) to catch a 7.85 pound (2nd Place) Redfish in both the OPEN and LIVE categories.

And **Wendy Troup** was understandably excited that her 5.9 pound Gafftopsail catfish stayed on the board through most of that tournament. In fact her fish finished 3rd Place overall out of more than a hundred Gafftops logged during the Rodeo.

Also want to mention the Master Angler for both RMYAT (Cooper Garmeson) and ADSFR (Vicki Foster) are former ACFA members.
