## KM-UPTUUKNAMI JULI KUDEU WA

The July Rodeo Warm-Up tournament in July is always a good time and gives ACFA members a chance to compete in two man teams for both Speckled Trout and Flounder creels. Several nice Speckled Trout creels were weighed in, especially the one brought in by Jay O'Brien and Doug Tierce which, at 22.35 pounds is the new ACFA Speckled Trout 5 fish creel record! And it looks like Jay got a good warm up for the ADSFR because he went on to win 1st place in the Blackfish category in the rodeo with a 23.02lb fish! Mike and Vicki Foster also brought in an impressive 18.65lb Speck creel and also placed in two other categories, bumping Mike Foster to 1st place in tournament points (tied with Trenny Woodham) and Vicki to second in tournament points. Congrats to everybody that participated and

Special thanks to Marty Garmeson and Brian Mygrant who cooked fish tacos for everybody at the weigh in!
