MARCH MADNESS RECAP

Tough weather didn't stop ACFA members from hauling a few fish to the weigh-in! David Thornton, our ACFA Stats Man did a good job summarizing the days events! "March Madness" is a good name for it with the lousy weather. But intermittent rain showers didn't dampen the spirits of the ACFA members who put on the gameface and pulled up their Frogg Toggs for some pretty decent late winter fishing!"

Those who made it to the weigh-in were rewarded with some of Jay O'Brien's top-notch jambalaya that we've grown accustomed to eating each year for the March tournament. Jay wasn't able to actually be on hand for the weigh in but with the help of Doug Tierce, Kyle Eckhoff, Tom Brooks and a many others, the food was delivered to Post 250, and was ready to serve by the time people started rolling in. So, thanks to Jay for cooking and all of those who helped to make it happen!

Meet the Angler

Our "Meet the Angler" Bio for the month of April had to be postponed until the May newsletter due to the fact that I ran out of room! But, you can look forward to a good read about one of our most dedicated members in the next ACFA Newsletter.
